### KNOWLEDGE

Javascript	★★★★★
React	★★★★★
Unit testing	★★★★★
Typescript	★★★★☆
E2E testing	★★★★☆
CSS, SASS	★★★☆☆
C# (.NET)	★★★☆☆
CI / CD	★★★☆☆
NodeJs	★★★☆☆

### LANGUAGES

Catalan	★★★★★
Spanish	★★★★★
English	★★★★☆

### OTHER EXPERIENCE

#### AdaJS Co-organizer

2015-2022

AdaJS was a by women, for women community that spun off from **BarcelonaJS**. We organised tech talks and programming workshops with the goal of bringing more women into tech.

### WORK EXPERIENCE

#### Fullstack Software Engineer

2024-present

#### Heyflow

Currently working on development of new features in Heyflow's platform, mainly focused on the flow building experience and a platform redesign.

#### Lead Frontend Engineer

2021-2024

#### Honeypot GmbH

Leading the frontend team in the migration of Honeypot's platform from EmberJS to React, and building new features. The stack also includes TypeScript, styled-components, GraphQL, Jest, Cypress, and Docker. The team is also in charge of building CI/CD workflows and deployment pipelines (Heroku).

#### Web Development Teacher

2021-2022

#### allWomen

I was a teacher for the part-time (6 months) web development bootcamp for women. The course curriculum included JavaScript, web development foundations, computer science, NodeJS, Express, React, and testing.

#### Senior Frontend Engineer

2016-2021

#### Typeform

Worked in the team in charge of building the next generation form renderer using React, Redux, styled-components, JavaScript, Typescript, Golang, Cypress, Docker, and Agile methodologies (Scrum).

#### Senior Web Developer

2016-2016

#### Valudio

Implementation of an online medical analysis catalog using JavaScript, Meteor, SASS, and GraphQL in a small, self-organised team.

#### Senior .NET Developer / Frontend Specialist

2014-2016

#### Tokiota

Worked at **ADP** leading the frontend side of a team which pioneered the company's transition to building apps using AngularJS and the new design system.

#### Senior .NET Developer

2010-2014

#### Altran (Capgemini Engineering)

#### .NET Developer

2009-2010

#### NextRet

#### .NET Developer

2007-2009

#### ASMWS (ASM Web Services)

#### Junior .NET Developer

2004-2007

#### Transferència de Tecnologia La Salle (TTS)

### ACADEMIC EDUCATION

#### MSc in Computer Science Engineering

2000-2008

#### Enginyeria i Arquitectura La Salle, Universitat Ramon Llull

Developed my Master's Thesis, *Statecharts modelling of a robot's behavior*, during 2008 at the MSDL (Modelling, Design and Simulation Lab) at the **School of Computer Science of McGill University** (Montréal, Canada).
